- Facts on SMEs and innovation
- S3 – vision and major tools
- Cluster support – sector and major successful activities
- Relevant pilot project

Position paper on innovation in Romanian Region – paper structure

3. EEN role supporting innovation in Romanian regions –

CONCEPT - The correct question are:

- How Consortia can boost innovation with EEN tools?
- What does a company need to perform innovation?
- How can we increase the number of clients?

Short contribution of each region according to its situation

- Tactical – now and how
- Short and focused paper
- Proactive – what can we do not what we cannot
- Focused on consortia leadership at regional level
- OPTIMISTIC PAPER

Universitatea din Craiova
